

UPPER MOKELUMNE RIVER WATERSHED AUTHORITY

NOTICE OF INTENT TO AWARD for Forest Projects Plan (Phase 1)

The Upper Mokelumne River Watershed Authority (Authority) wishes to thank all the businesses that participated in the RFP 23-02 process and their interest in doing business with the Authority. The Authority has completed its evaluation and selection process and has determined that BurnBot, Inc.'s proposal well serves the overall interests of the Authority for this project. Pending approval by the Board of Directors at its August 25, 2023 meeting, the Authority will enter into a contract with BurnBot, Inc. to provide the Authority with its requirements as specified in RFP 23-02, Item 1. Mastication & Hand Treatment, in the amount of \$3,672,000.00.

All communications in connection with this process and award should be addressed to Karen Quidachay at karenq.landmark@outlook.com.
