**For Project Specific Questions, Please Contact:**  
**John Quidachay, Operations Manager**  
**Phone Number: 530-748-8958**  
**Email: qfactor@innercite.com**

The Request for Proposals (RFP) originally planned for issuance in mid-June by the Upper Mokelumne River Watershed Authority (UMRWA) for the Forest Projects Plan (FPP) (Phase 1) project is delayed. The RFP is now planned to be issued sometime between early July and mid-August. The contract would be subsequently awarded by the UMRWA Board of Directors at either its August 25, 2023 or October 6, 2023 meeting. The contract shall terminate on October 31, 2025.

Interested contractors are encouraged to email the Project Manager their contact information to ensure proper electronic transmittal of the RFP when it is issued.
